

Interreg ASPIRE Evaluation

Digital Accessibility Questionnaire

This is a voluntary self-assessment questionnaire that seeks information about your access to technology and digital platforms. Please choose the answer option that best describes your situation at this moment. No names will be recorded; the survey is anonymous, and all individual responses will remain confidential. ASPIRE will only report the results of the questionnaire on a group level and the information you provide will remain anonymous and cannot be connected to you.

Thank you for your participation.
